Page Johnson is a National Award Winning Professional Longarm Quilter from Rosemount, Minnesota. She describes herself as an "off the wall out-of-the-box" quilter. Her teaching style is both personable and infectious. And, her knowledge and creativity is awesome! She is the type of teacher who believes in her students and sincerely wants to see them succeed. She is a Certified Creative Studio Trainer and has taken it to the next level! Her unique approach to creating "custom" looking Edge to Edge designs and high price custom quilting in a fraction of the time is something every Statler owner should know. Whether you are a seasoned quilter or you just bought your Statler last month, this retreat will open up every possibility that Creative Studio has to offer. It will release your creative mind, spilling out beauty and genius onto your quilt tops! She will teach the "Nuts & Bolts" of Creative Studio with the easy "Glitz & Glam" of the professional quilter. She will also show you how to take your custom quilting to the next level using the "Piece O'Grid" and her newest technique "Page Turners". Your quilting will no longer resemble Macaroni & Cheese but Cheese Soufflé!
